THE STORY OF CAPANNORI CASE STUDY

#1

The Tuscan town of Capannori has one of the highest municipal recycling rates in Europe. Capannori's path to zero waste is an example of strong policy decisions and community participation achieving groundbreaking results.

- » Population: 46,700
- » Zero Waste strategy signed in 2007
- » 40% waste reduction in 10 years today
- » 82% of the waste is separately collected
